

If Typhoon hits and Taipei closes down:

1. The government will announce closing of businesses at 20:00 one day in advance.
2. **Be careful outside, be aware of falling palm tree branches!**
3. We continue ECC 2024 at Institute of information Science, Academia Sinica. For map, see next slide.
4. Lunchboxes have been secured.
5. Coffee will be provided, snacks unfortunately not. Breakfast will be there.
6. The banquet will be cancelled if the department store "ATT4FUN" (near 101) closes down, normally held otherwise.
